

REQUEST FOR BIDS - Antelope Springs fuels reduction project
IRON COUNTY Requests for Proposals

Iron County, Utah is accepting proposals for the Antelope Springs Fuels Reduction project. The project involves the grinding and removal of certain tree species over approximately 202 acres, in and around Antelope Springs located off Antelope Springs road. The entire 202 acres will be a first entry removal site. Removal methods will include the use of Mechanical grinding to thin juniper trees. The project is scheduled for May, June 2026.

Bid packets may be sent to 646 N Main Cedar City Utah, 84721. Requests for the Bid document may also be submitted to spencerrollo@utah.gov . The Bid will be transmitted to requester by electronic mail or in printed form. Iron County Fire Warden Phone Number: (435) 590-4714. Responses to this Bid project will be accepted as follows: an original plus 2 exact duplicate copies must be delivered to the address below on or before 1:00 pm Mountain time April 2nd, 2026. The County will not be responsible for proposals delivered to a person or location other than that specified herein, and reliance on third party shipping methods will not excuse late proposals.

Attn: Spencer Rollo, Iron County Fire Warden

646 N Main

Cedar City, Utah 84721

The county reserves the right to reject proposals that are determined to be non-responsive or non-responsible. Should the county award a contract, it will be to the offeror whose proposal is determined in writing to be most advantageous to the county based on the factors set forth in the request for proposals. Late submissions will be returned unopened to the offeror.
